

Golfer Lookup / Handicap Calculator

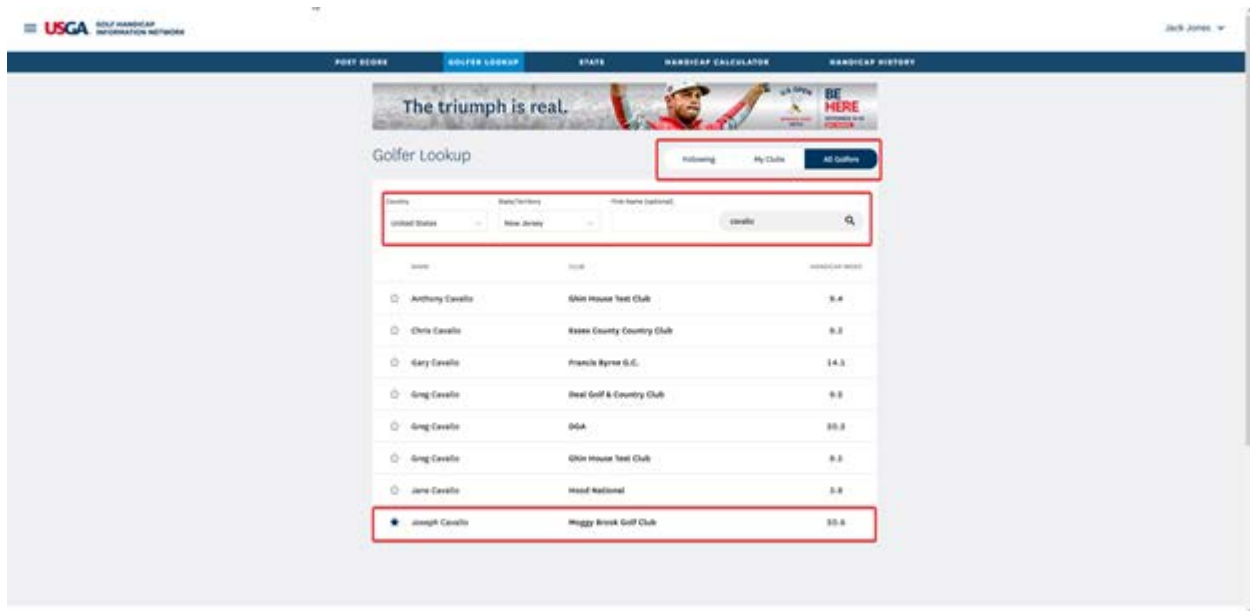

GHIN.com

Golfer Lookup

- Golfers can look up golfers within the GHIN database.
- Select the 'Golfer Lookup' icon in the top of the GHIN.com to bring up the 'Look Up' feature
 - o Golfers will be brought to their 'Following' page by default

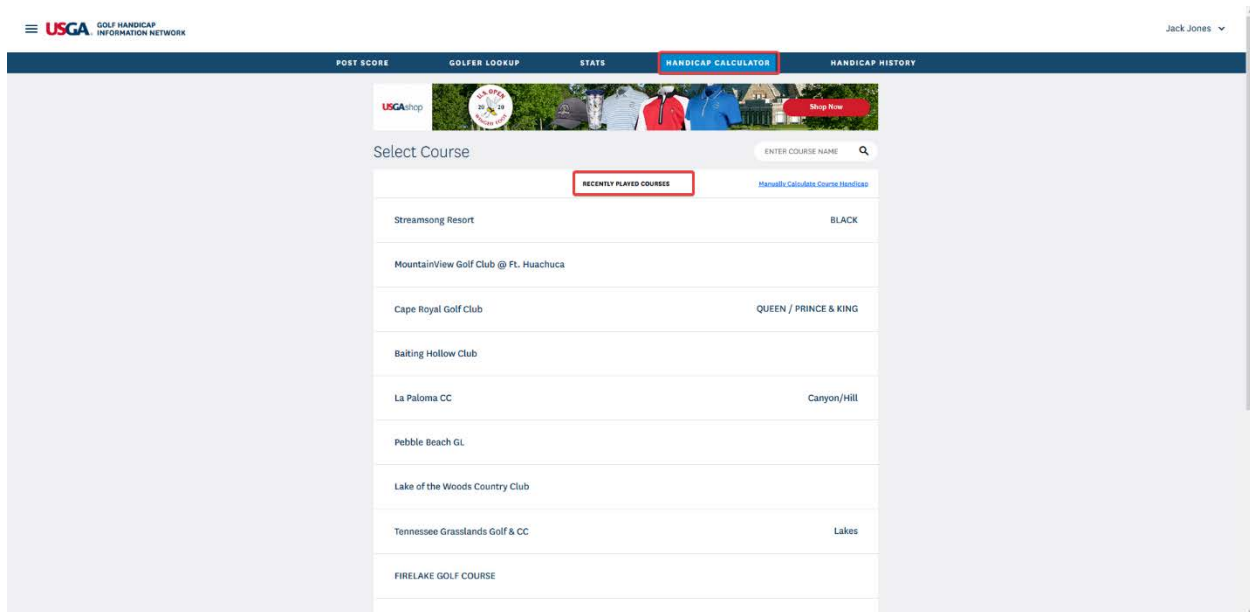

- Toggling to the 'All Golfers' view will allow golfers to lookup fellow players throughout the comprehensive GHIN database
 - o 'My Club' lookup is also available here
 - Note: Multi-Club users will have a drop-down menu to select a specific club to perform Golfer Lookup
- A "smart" search allows users to easily search and select other golfers
 - o Users can filter golfers by State/Province and Country as well as only search golfers at their club
 - o Clicking the 'star' icon next to a golfer's name will add them to a user's 'Following' view for ease of access
 - De-selecting the 'star' will remove a golfer from the 'Following' view

Users can access the Handicap Calculator from the top banner by clicking on ‘Handicap Calculator’

- Once selected, golfers will be prompted to select a course
 - Recently Played Courses will appear here
 - Manual Course Entry is available as well

Users will then be able to select golfers for which they want to add to the Calculator.

Other options to include for calculation include:

- Selection of 9 or 18 holes
- Handicap Allowance - 100% default (85%, 90%, 95% available as well)

USGA PARTNERS: American Express, Cisco, Deloitte, LEXUS, ROLEX

GHIN MOBILE APP: USGA GHIN, App Store, Google Play

After clicking 'Add Golfers', users will be brought to a page where they can add golfers from any of three places:

- The 'Following' golfer list
- 'My Clubs' selection
- 'All Golfers' (Given the ability to search either Last Name or GHIN # within a City/State parameter)

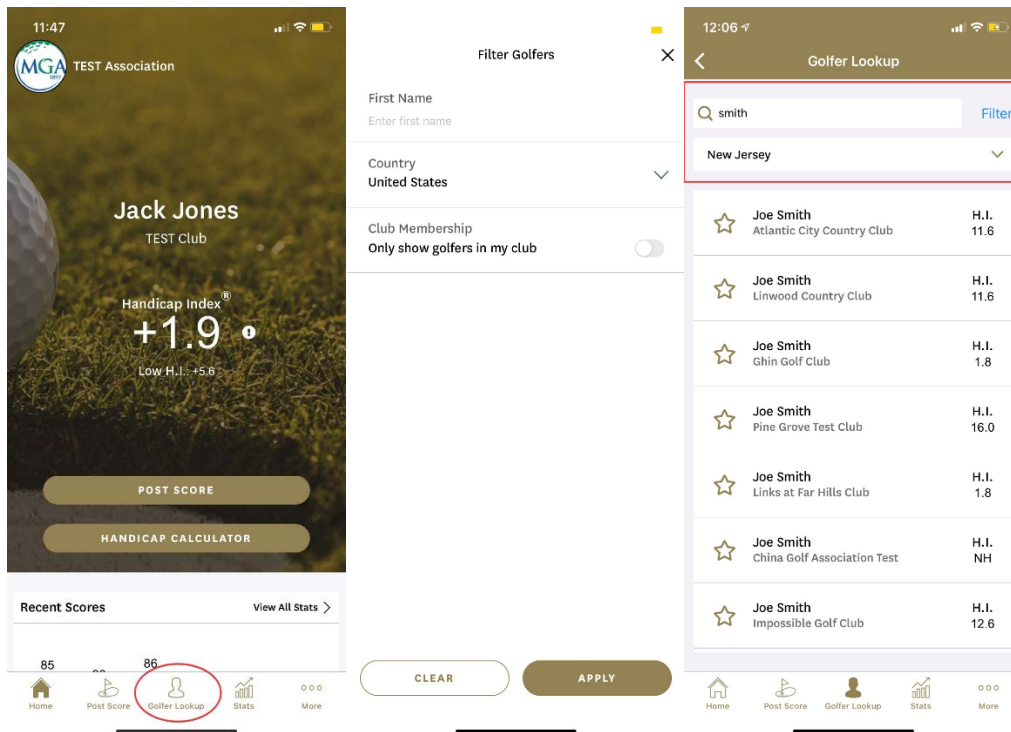

Select 'Back to Calculator' to add Tees and view calculation

GHIN Mobile App

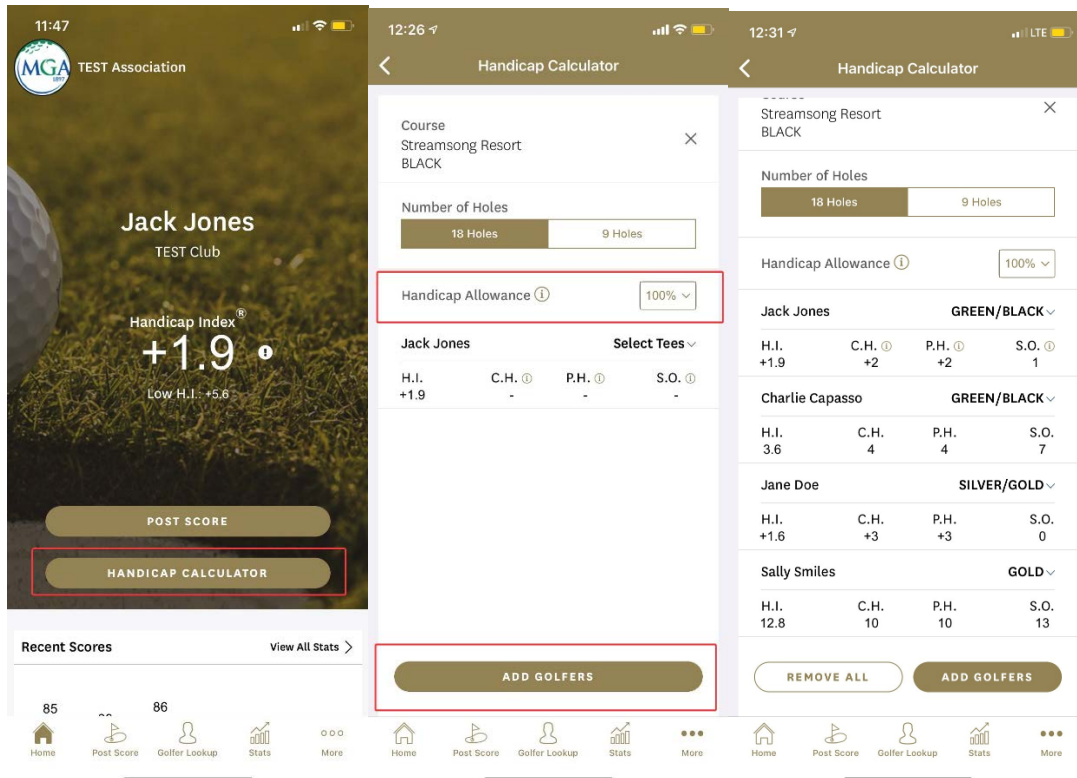

Golfer Lookup

- Golfers can look up golfers within the GHIN database.
- Select the middle icon in the bottom of the app to bring up the 'Look Up' feature
- A "smart" search allows users to easily search and select other golfers
 - o Users can filter golfers by State/Province and Country as well as only search golfers at their club

Handicap Calculator

- To calculate Playing & Course Handicaps, users can quickly add other golfers via the “Following” tab or can search for golfers by GHIN Number or Last Name
- Golfers will be prompted to enter their round set-up information upon clicking the Handicap Calculator
 - Course, Number of Holes, Golfer Selection
- From there, golfers will be able to select golfers from their ‘Following’ page, as well as have the ability to search the GHIN database for other golfers
 - Golfers can also choose a Handicap Allowance
 - 85%, 90%, 95%, 100% are available options

- After selecting golfers, you will be brought back to a page where you can then change the tees for each golfer selected. After tees are selected, individual Course Handicap calculations will appear
 - o Note: Both Course Handicap and Playing Handicap values are displayed
